

**Malvin's Close Road Primary Academy
Sports Grant IMPACT Report 2018- 2019**

DFE Objective: Schools must spend this grant on making additional and sustainable improvements to the provision of PE and sport for the benefit of all pupils to encourage the development of healthy, active lifestyles.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport you offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

The funding each school receives is derived from the January census for Y1 to Y6 pupils Malvin's Close Primary Academy was allocated £19,510 in the financial year 2018 - 2019.

PE and Sport Premium Key Indicator	School Objective	Cost	Planned IMPACT on pupils	Actual IMPACT on pupils	Sustainability/ Next Steps
Increased confidence, knowledge and skills of all staff in teaching PE and sport	<p>Increased confidence, knowledge and skills of all staff in teaching PE and sport so that all lessons are high quality.</p> <p>Professional coaches to support teaching of swimming for KS2 pupils.</p>	<p>£6000</p> <p>£4914</p>	<p>Pupils core skills will improve. All PE lessons will be high quality. -Teacher subject knowledge and skills to improve through CPD from coaching</p> <p>Improve swimming skills – increase the % of pupils able to swim at least 25m.</p>	<p>All pupils have accessed a range of sports through PE sessions. The hub's PE team have delivered PE lessons from Y1 – Y6. PLanning has been adapted and improved by the coach in conjunction with teachers</p> <p>Teachers have enhanced knowledge</p>	<p>Current PE specialist will develop the out of school physical activities on offer.</p> <p>A PE programme of work has been developed showing skills and knowledge progressions and will be used across MR/MC/CW Academies.</p>

			-Teacher subject knowledge and skills to improve in order for them to better support teaching of swimming	and skills to teach areas of PE All pupils in Y4 have accessed weekly swimming lessons. 65% of Y6 pupils able to swim at least 25m.	
The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school	To provide quality facilities that current pupils and future pupils will be able to use both in and out of lesson time. - Outdoor play resources to be purchased for lunch and play - Equipment fixed and repaired for active breaks, lunches and lessons	£2206	Increase the activity levels of children at breaks and lunches.
