

**Malvin's Close Primary Academy
Sports Grant IMPACT Report 2019- 2020**

DFE Objective: Schools must spend this grant on making additional and sustainable improvements to the provision of PE and sport for the benefit of all pupils to encourage the development of healthy, active lifestyles.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport you offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

The funding each school receives is derived from the January census for Y1 to Y6 pupils Croftway Primary Academy was allocated £19,510 in the financial year 2019 - 2020.

PE and Sport Premium Key Indicator	School Objective	Cost	Planned IMPACT on pupils	Actual IMPACT on pupils	Sustainability/ Next Steps
Increased confidence, knowledge and skills of all staff in teaching PE and sport	Develop teachers' knowledge of the PE curriculum through appropriate high quality CPD	MS course £155 supply + the cost of course	Pupils core skills will improve.
