

Arrangements for September:

- All children are expected to attend school from September.
- Children will be in year group bubbles.
- We are trying to reduce what children bring it from home they can bring: reading books, coats/hats and lunches.
- On PE days, children need to come in their PE kits as we are unable to use changing facilities during Covid times. .
- Children will spend lunch and breaktimes in their bubbles and will not mix with other bubbles when playing outside.
- Children will eat lunch in their classes. To start with school will be providing cold lunches. These lunches will be delivered to them in their classes.
- All classrooms will have access to sinks for regular hand washing.
- There will be staggered starts and finishes to reduce congestion on the yard- please stick to these. If you have siblings in different year groups, if possible bring them at the later time and collect them at the later time.
- We will be continuing our one-way system in September- school staff will be outside to help you know where to go. Please follow our system to enable us to have social distancing between adults.
- Please do not arrive early or stand around on the playground, you need to drop your children off and then leave site.
- Parents are unable to come into the school building or into the office unless asked to by staff. If you need anything, please phone the office and a relevant member of staff will get back to you as soon as possible.
- Breakfast club will be running from 8am each day- places now need to be booked and we will be charging for this from September.
- After school clubs will be running, but our planned programme is reduced because clubs can only run with a year group bubble.
- We will be following government guidance in relation to school trips, visits and visitors.
